

## Gegevensblad product

### Kenmerken

## OVA51012E

Battery, Ni-Cd, 2.4 V, 1.5 Ah voor Rilux,  
Primalum, Luxa en Rapida

### Hoofdkenmerken

|                           |             |
|---------------------------|-------------|
| Type product of component | Batterij    |
| Apparaattoepassing        | Verlichting |
| Number of cells           | 2           |
| Samenstelling lichaam     | Sealed      |

### Complementaire kenmerken

|                         |                                                                                                                                                                               |

| Bedieningspositie       | In lijn                                                                                                                                                                       |
| Diameter                | 23 mm                                                                                                                                                                         |
| Lengte                  | 90 mm                                                                                                                                                                         |
| Hoogte                  | 26 mm                                                                                                                                                                         |
| Breedte                 | 23 mm                                                                                                                                                                         |
| Gewicht product         | 0,12 kg                                                                                                                                                                       |

### Omgeving

|                                   |             |
|-----------------------------------|-------------|
| Omgevingstemperatuur voor werking | -10...50 °C |
|-----------------------------------|-------------|

### Verpakkingseenheden

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 2,500 cm  |
| Package 1 Width              | 2,500 cm  |
| Package 1 Length             | 8,500 cm  |
| Package 1 Weight             | 98,000 g  |
| Unit Type of Package 2       | S02       |
| Number of Units in Package 2 | 30        |
| Package 2 Height             | 15,000 cm |
| Package 2 Width              | 30,000 cm |
| Package 2 Length             | 40,000 cm |

|                              |            |
|------------------------------|------------|
| Package 2 Weight             | 3,148 kg   |
| Unit Type of Package 3       | P12        |
| Number of Units in Package 3 | 480        |
| Package 3 Height             | 45,000 cm  |
| Package 3 Width              | 80,000 cm  |
| Package 3 Length             | 120,000 cm |
| Package 3 Weight             | 62,368 kg  |

### Duurzaamheid van het aanbod

|                   |                                                                                                                                 |
