

Product details

CONNEC.WITH CABLE GST18I3K1BD 15 30SW

Connection cable, female - Schuko plug (german), length 3m, GST18i3, 3 pole, 250V/16A, cable type H05VV, cross section 1,5 mm², color of coding: black, color of cable: black

Basic information

Article number	92.232.3007.1
EAN	4015573318540
Unit of measure	Piece
Packaging Quantity	25

Classification

Technical Classification	Cable assemblies
Wieland Product Families	Connection cable, Female - Schuko plug

Design

Version of cable	Other
Cable type	H05VV-F
Cable type 2	
Nominal cross section conductor	1.5 mm ²
Cross section of cable 2	
Number of poles	3
Number of poles 2	
Degree of protection (IP)	IP40
sheath strip length	
Sheath strip length 2	
Wire strip length	
Insulation strip length 2	
Preparation of conductor ends	
Design of conductor ends 2	
Cable diameter	8.3 mm
Cable diameter 2	
Cable colour	Black

Product details

General Data

Total length	3 m
Rated voltage	250 V
Rated voltage 2	
Rated current	16 A
Rated current 2	
Mechanical coding	Yes
Marking of poles	L, N, PE
Color of coding/ contact carrier	Black
Color of coding 2/ contact carrier 2	
Color of housing inclusive strain relief	Black
Interlockable	Yes
Pollution degree	2
Rated surge voltage	4 kV
Rated impulse voltage 2	

Material

Insulation components continuous temperature	100 °C
Continuous temperature of cable	70 °C
Continuous temperature of cable 2	
Halogen free	No
Surface finish	Tin-plated
Surface coating of contacts 2
