

# 3M™ Volition™

## 45x45mm RJ45 keystone faceplate

### 3M™ Volition™ 45x45 RJ45 faceplates

The new version of the 3M™ RJ45 faceplate is part of Volition™ Cabling System for enterprise networks.

The new design is modern and elegant, and it easily fits in the office and architectural environment.

#### Features

- Compatible with all 3M Volition RJ45 keystone jacks
- Two available versions:
  - 45x45 mm, 1 port.
  - 45x45 mm, 2 ports.
- Fitting to various supports with limited depth
- Flush front face
- Optimised labeling area

#### Advantages

- Can be mounted horizontally and vertically on 45x45 without additional accessories (for 1 port version).
- Accept RJ45 splitters (fixation by screw).
- White icon on front face with identification of telephony and data (coloured icons optional).
- Modern design, integrating with any office environment
- Embellishment plate can be customised (colour, finishing), based on quantity requirements (to be defined case by case).
