

Force Grip 13G Black Nylon Shell Black Crinkle Latex Palm Coated Glove L

Basic data:

ID	0020990121
GTIN	7630268402952

Features:

These seamless knit gloves have a palm-dip crinkle latex coating that is good grip and abrasion in dry environment, suitable for all major works which require good abrasion resistance and grip performance as for handling construction materials, aircraft assembly and general handling works. The palm-dip coating protects the palm-side of the hand from abrasion and leaves the back-side of the hand uncoated for breathability. Seamless Nylon knit gloves are flexible and super comfortable, breathable and provides good dexterity, form-fitting and have a knit cuff to keep the glove in place and keep out dirt and other contaminants. Meet EN388:2016+A1:2018 : 2131X.

Technical data:

Glove size (US):	L
Material:	Latex
Material quality:	Other
Colour:	Black
Protection against mechanical risk:	Yes
Model:	5-finger
Coating:	Palm coated
Surface finishing:	Other
Type of closure:	Elastic cuff
Thickness:	1.5 mm
Type of delivery:	Pair
Cuff type:	Wrist length cuff
